

Senior leader in global operations, focused on end-to-end execution, process transformation, and operational excellence. Proven experience leading large-scale projects, combining data, automation, and measurable business impact.

Work Experience

Haifa Group (formerly Haifa Chemicals) | 2015 - 2025

Export & Shipping Manager | 2021-2025

Direct report to VP Supply Chain | HQ & plant role

- End-to-end management of a global export operation (14K containers/year to 100+ countries), with full commercial and operational accountability.
- Cross-functional pivot role linking between plant and HQ, ensuring operational continuity under regulatory, operational, and commercial constraints.
- Direct leadership of a 7-member team, covering recruitment, performance management, development, knowledge retention.
- Management of a multi-million-dollar annual budget; KPI definition, procedure development, five-year strategic planning.
- Design and leadership of cross-organizational innovation, high-impact global projects, and advanced automation solutions (SAP, BI, AI). resulting in significant cost savings and cycle-time reduction
- Global crisis and disruption management, including decision-making under uncertainty and rapid adaptation.

Export Coordinator & Freight Cost Lead | 2015–2021

- Responsibility for pricing, cost control, supplier negotiations, and improvement of commercial terms.
- Management of ongoing operations and real-time cross-functional coordination.
- Initiation and leadership of automation and innovation projects, including SAP price list implementation, *Zero-Touch* invoice validation, and automated cost control.

Mercedes-Benz -Colmobil | 2013 - 2015

Purchasing & Logistics Specialist

- Inventory management and control within the luxury division.
- End-to-end supply chain responsibility and vehicle delivery to end customers, maintaining high service standards

IBM R&D Labs | 2010 - 2012

Recruitment & Onboarding Specialist

- Management of employee recruitment and onboarding processes, including senior roles.
- Coordination and leadership of the Summer Internship program: onboarding outstanding international students, mentoring, training, and end-to-end program management.
